

A photograph of the interior of a hair salon. The room has red walls and a polished wooden floor. On the left, there is a wooden shelving unit filled with various hair care products. In the center, there are hair salon chairs and a sink area. On the right, there is a reception counter with a vase of white orchids. The word "Blush" is written in a large, stylized, white cursive font with a black outline, and "HAIR SALON" is written in a smaller, white, sans-serif font below it.
